SPRAY LUBRICANTS

- **NUT BUSTER**

PART # SL-1

Penetrates to loosen rust and frozen parts. Protective lubricant will not change tolerances.

- **SILICONE SPRAY**

PART # SL-3

Stops squeaks, prevents rust and lubricates all at the same time. Good all purpose lubricant. Non-toxic. Food safe.

- **CONTACT CLEANER**

PART # SL-2

Penetrates down under moisture lifting it away from the surface. Prevents corrosion and protects metals.

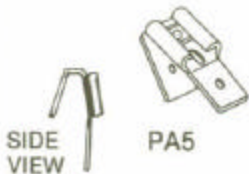

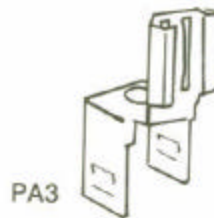

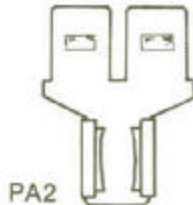

- **VAZZMOLENE**

PART # SL-4

Aerosol waxy coating, corrosion proofing spray. Battery terminal saver. Long protection for equipment.

Vantex Quality!

PUSH-ON TERMINAL ADAPTERS (.250 TAB)

Two way to one way bullet connector fits part #BC1.

CLOSED END CONNECTORS (NYLON)
